Subject: safety assessment

Hello All,

Tomorrow March 4, 2010, Maureen O'Leary an environmental health and safety contractor will be on site to learn a little bit more about what each of the laboratories does. Austin will be contacting you to arrange a tentative time for Maureen to visit your respective areas:

Drug Laboratory Boston - Chuck Salemi & Elisabeth O'Brien 60 minutes
Lead Laboratory & Data Entry - Alan Rubin (Pat Jacobsen will be on vacation, so Alan will handle both) 30 minutes
Combined Environmental Chemistry & Chemical Threat - Jill Clemmer and Pete Kane 60 minutes

Drug Laboratory Amherst - Jim Hanchett (TBD on a separate day) Maureen is from UMASS Amherst.

Thanks, any questions/problems give a call. Julie
